

# FAQ-Frequently Asked Questions

## BREAKFAST/BRUNCH

### **What is the minimum order requirement for breakfast or brunch catering?**

Our Breakfast and Brunch Catering packages require a \$1,500 food minimum. A 20% production fee and applicable sales tax will be added to all onsite service events. For delivery or drop-off orders, the production fee is waived.

### **Are disposable plates, utensils, and napkins included?**

Yes! All catered breakfast and brunch events include premium disposable plates, utensils, and napkins. China rentals and upgraded service ware are available for an additional fee.

### **Can I customize my catered breakfast or brunch menu?**

Absolutely. You can mix and match from our breakfast buffets, brunch stations, add-on platters, carving stations, and beverage options to create the perfect menu for your event.

### **Is staffing included in my catering package?**

Staffing is not automatically included. We offer chefs, service attendants, and bartenders for an additional charge. Labor costs will be quoted based on your final selections and guest count.

### **Can I order just platters or brunch add-ons without a full breakfast package?**

Platters and add-ons are designed to complement our breakfast and brunch menus. If you're interested in platters only, ask about our Platter package options.

### **How far in advance should I place my breakfast or brunch catering order?**

Once you have a date in mind, we recommend you secure your date with us ASAP.
